# Community Mapping Survey

## First insights

**1st ACT International Synergy Conference**  
Brussels, 25th February 2019

Sybille Reidl  
Lisa Schön  
Ewa Krzaklewska

## **ACT community survey**

- to join efforts to promote gender equality in research and innovation!
- to identify potential CoP members
- to identify existing networks and expertise
- to identify their needs and interests to be able to develop targeted supporting schemes and material
- to collect expressions of interest

## **Expected Results**

Map of networks: nodes, hubs, gaps and holes

- Starting point for building up new CoPs and scaling up existing ones
- Identify regions with weak networks (but high demand for support/ knowledge transfer)
- Needs and interest assessment
- Information about GEP implementation processes and activities

---

## Themes of the survey

### **General Information & Expression of Interest**

- Information about the organisation, location, scientific area
- Current position of respondent and connection to Gender Equality
- Desired involvement in ACT, contact details

### **Gender Equality in the Organisation & Related Networks**

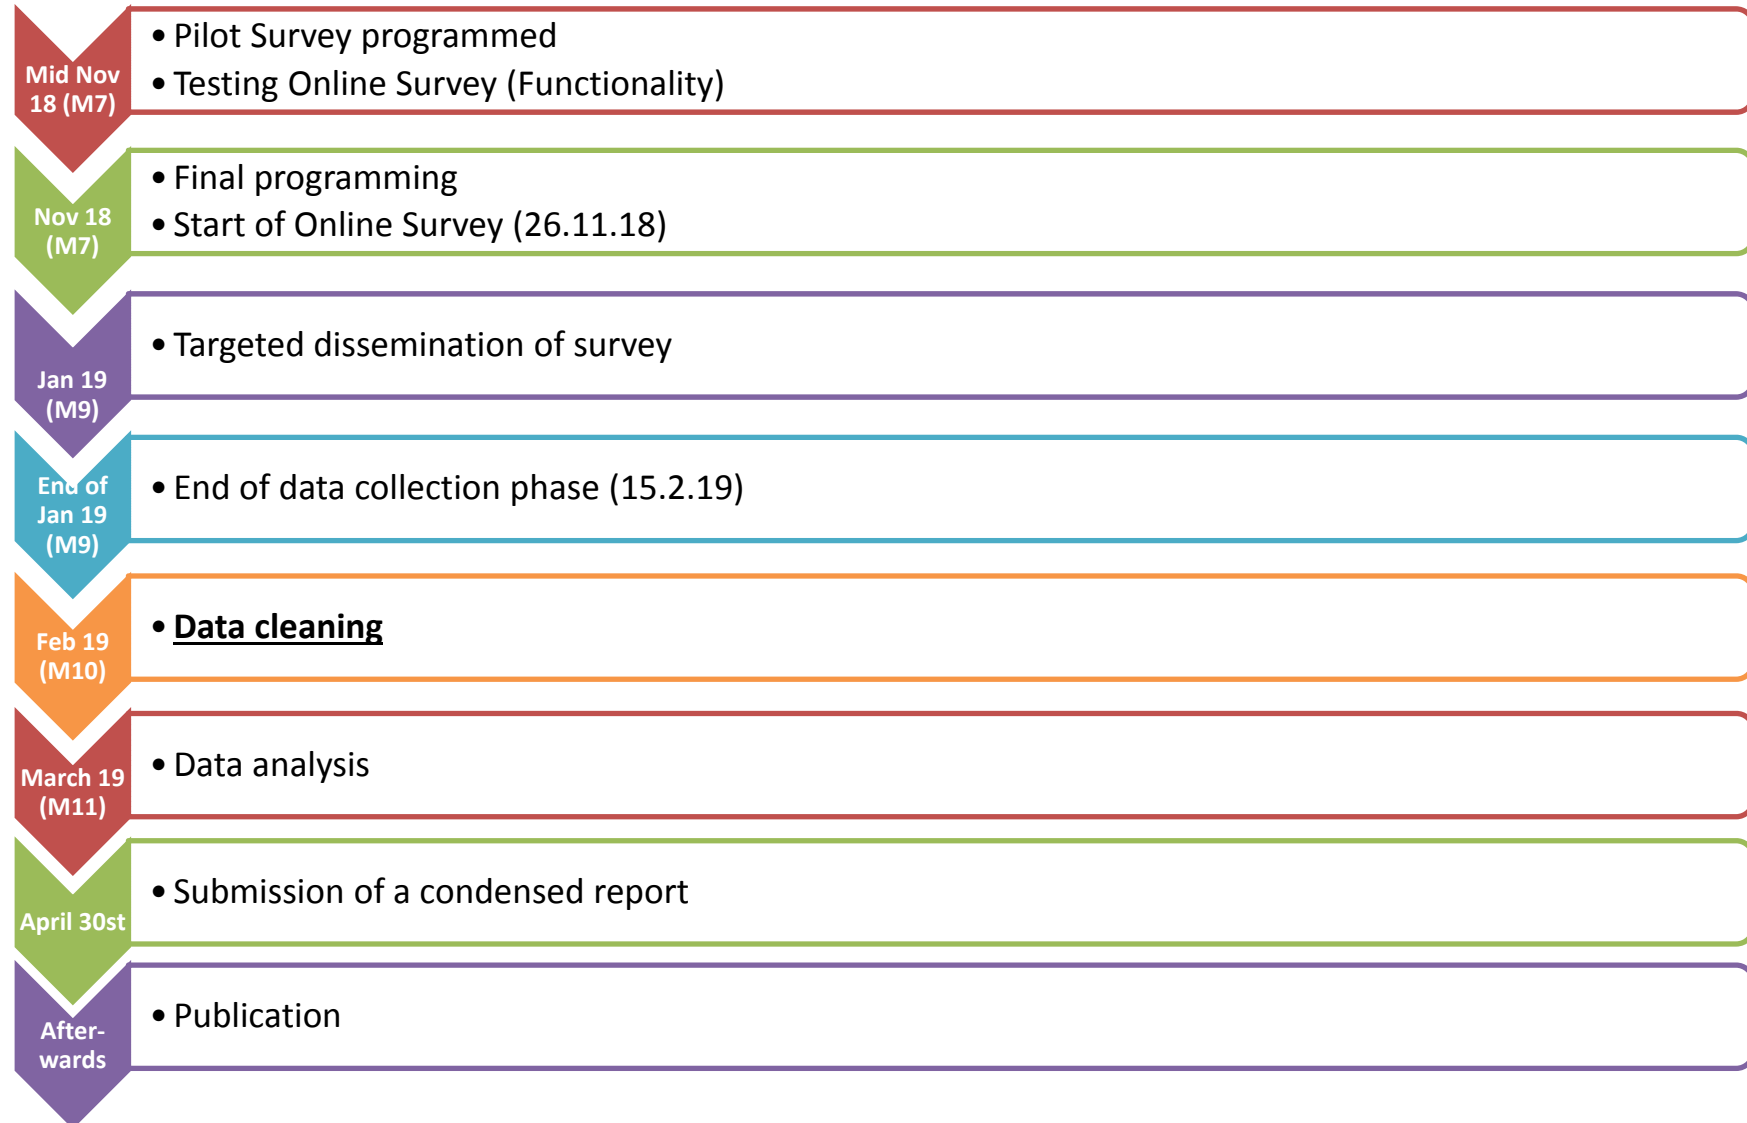

- Status quo of GE implementation activities (GEP, measures for organisational change, measures for integrating gender dimension in research and teaching)
- Network of collaborators (including Partnership in EU-funded implementation projects) and forms of cooperation

### **Gender equality successes, needs and support**

- Development in the past three years
- Barriers affecting the implementation of GE
- Support received and needed

# Timeline

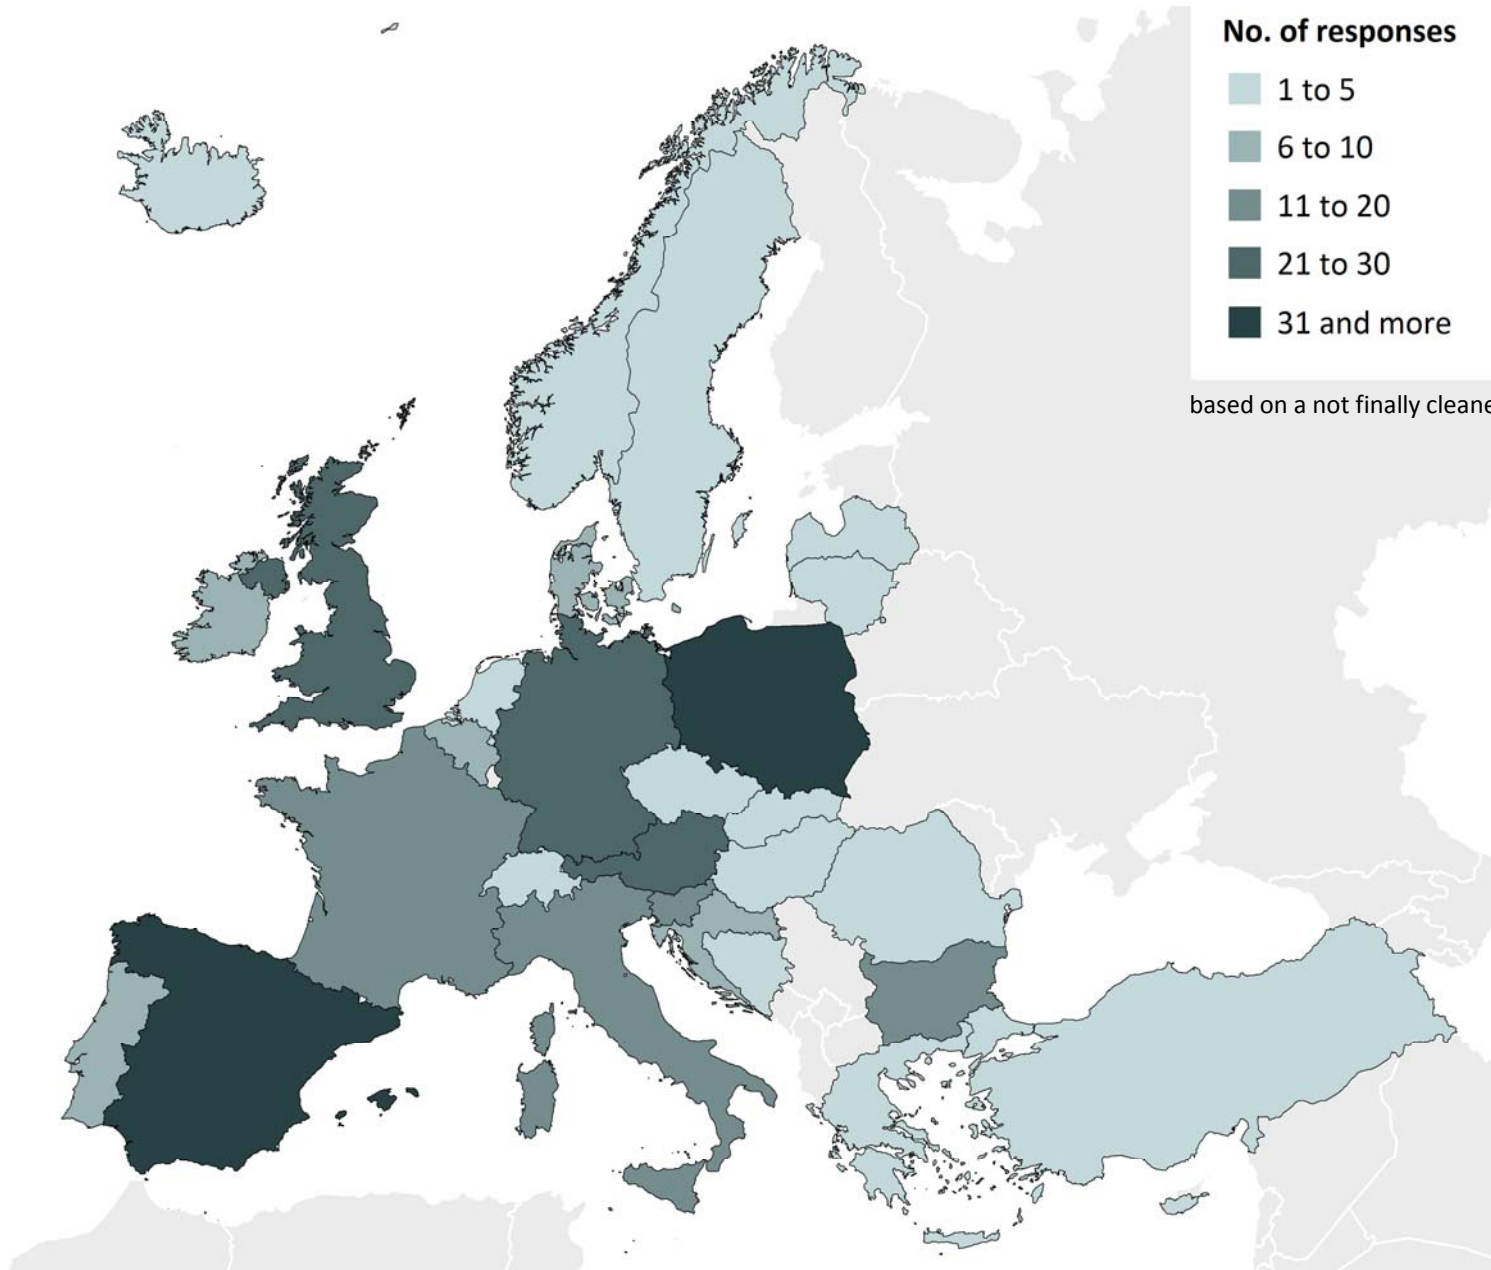

## Preliminary results:

### Response:

- We received 280 Questionnaires
  - 271 questionnaires from countries in Europe
  - 9 questionnaires from outside Europe (Argentina, Canada, Israel, New Zealand, South Africa, Tunisie, United States)
- We received information about 192 RPOs and RFOs

**These numbers are only a first impression based on a not finally cleaned data set!**

**Thank you for your attention!**
